With reference to the subject cited above we the Telangana Employees Association would like to bring to your kind notice for consideration that, in TTWREI Society there are 130 Trained Graduate Teachers, had been working on contract basis since 2000-2008 their services had been regularized in the year 2008, vide Ref.No.1.

We bring to your notice that these TGT's have been working in Rural Areas and has been rendering their services to the poor tribal children.

The Hon'ble Chief Minster has been sympathetic and concerned over the Government employees problems and has been implementing many schemes like Health Cards and Notional increments. We are happy to listen that the Government has considered the apprentice period of contract employees and sanctioned notional increment in Departments like Electricity.

We humbly request the Telangana Government to sanction Notional increments for TGT's who are working in TTWE Society and add their contract period from 2000. So the employees would be benefitted.
